*ami khushi khushi jodi tumi a-amaake bhalobasho, bhalobasho*

i'll be happy happy if you also love me, love me

*tumi shat, tumi hashao, tomar mon boro boro* and you're so-o fine

you're smart, you're funny, your heart is big big, and you're so-o fine

*ami khushi khushi jodi tumi a-amaake bhalobasho, bhalobasho*

i'll be happy happy if you also love me, love me

*a-amar shamne tumi jokun haato tokhon amar mone hoi* — boom boom boom

when you walk into the the room, my heart goes — boom boom boom
